

Contents

Chapter 1	Organization, Composition, and Biogenesis of Animal Cell Membranes	1
	<i>S. K. Malhotra</i>	
Chapter 2	The Structure and Organization of the Cell Surface	73
	<i>J. M. Lackie</i>	
Chapter 3	Studies Using Biomembrane Systems	103
	<i>Dennis Chapman</i>	
Chapter 4	Energy Transduction in Biological Membranes	153
	<i>David F. Wilson</i>	
Index		197
