## UNIT 1. THE STUDY OF LIFE

Basic Core .....	1
Extended Area—Biochemistry.....	10

## UNIT 2. MAINTENANCE IN ANIMALS

### Basic Core

Part I: Nutrition and Transport.....	17
--------------------------------------	----

Part II: Respiration and Excretion.....	26
---	----

Part III: Synthesis, Regulation, and Locomotion.....	31
--	----

Extended Area—Human Physiology.....	37
-------------------------------------	----

Extended Area—Biochemistry .....	52
----------------------------------	----

## UNIT 3. MAINTENANCE IN PLANTS

Basic Core .....	55
------------------	----

Extended Area—Biochemistry .....	63
----------------------------------	----

## UNIT 4. REPRODUCTION AND DEVELOPMENT

Basic Core .....	66
------------------	----

Extended Area—Reproduction and Development.....	80
---	----

## UNIT 5. GENETICS

Basic Core .....	91
------------------	----

Extended Area—Modern Genetics.....	108
------------------------------------	-----

## UNIT 6. EVOLUTION AND DIVERSITY

Basic Core .....	113
------------------	-----

Extended Area—Modern Theory of Evolution.....	125
---	-----

## UNIT 7. PLANTS AND ANIMALS IN THEIR ENVIRONMENT

Basic Core .....	129
------------------	-----

Extended Area—Ecology .....	141
-----------------------------	-----

GLOSSARY .....	148
----------------	-----

## REGENTS EXAMINATIONS
