

# **Microscope imagen Processing**

**Wu, Qiang et a.**

## **Contents**

1. Introduction to Microscopy; 2. Fundamentals of Microscopy; 3. Image Digitization; 4. Image Display; 5. Geometric Processing; 6. Microscope Image Enhancement; 7. Wavelet Image Processing; 8. Morphological Processing; 9. Segmentation; 10. Object Measurement; 11. Object Classification; 12. Fluorescence Microscopy; 13. MultiSpectral Imaging; 14. Three-dimensional Microscopy; 15. Time-Lapse Microscopy Imaging; 16. Microscope Autofocusing; 17. Structured Illumination; 18. Microscope Image Data Management
