Introduction

Please find herewith on this CD a collection of images and videos that describe the content of the compilation, Microscopic Image Analysis for Life Science Applications, published by Artech House. The images are high resolution pdf versions of figures that appear in various chapters. Please click on the thumbnails to open the corresponding pdf file. A few videos are also included in the collection. The images can be used in any manner that does not violate any copyrights held by the publisher, Artech House, and the guest authors. Also, please do accord credit in an appropriate fashion to the authors if the images are used in other presentations and publications. We do hope that you benefited from the use of the content available here on the CD and in the book.

Thank you,

Jens Rittscher, Raghu Machiraju, Stephen Wong
